As a reminder, please do not drop off your students before 8:05am. Breakfast is not available until 8:05am. There is no supervision available for the safety of students. Our office is not equipped to supervise the numbers of students being dropped off before that time. Thank you for your assistance!

Class Pictures
March 12
Please send picture envelopes to school with your student on picture day only. We will also be taking a school wide picture for our yearbook.

Spring forward!
Sunday, March 10
Don’t forget to set your clocks ahead!

Thank you to our business partners!
February’s Character Trait of the Month - Compassion

What a way to show compassion! Mrs. Dahlberg, one of our 6th grade teachers, had her long hair cut at our February Student of the Month/Care Assembly to donate to Locks of Love. Locks of Love is a non-profit organization that provides hairpieces to children suffering from long-term medical hair loss. The minimum length to donate is 10 inches. To learn more about Locks of Love go to their website at www.locksoflove.org.

Congratulations to all of the students who participated in the 5th Grade Science Fair! There were many creative and unusual science projects on display. Pictured are the students from each 5th grade class who won an award for their project. Way to go to all the 5th graders!
