Online Payments for Student Meals, Fines and Fees

As a convenience to families, Yelm Community Schools now provides an easy way to make online payments from home or work, 24/7. With just one login, you will be able to make payments for any child in your household using Discover, VISA or MasterCard credit or debit cards. (NOTE: Food service payments are imported twice a day at 6:30 a.m. and 10:30 a.m. Payments made after 6:30 a.m. will not be posted to student’s food service account until 10:30 a.m. Payments made after 10:30 a.m. will not be posted until the following school day at 6:30 a.m.)

Currently, online payments can be used to replenish a student’s food service account or pay for any existing fines or fees. In the future, we hope to expand online payments for class fees, athletic fees and ASB activities.

Yelm Community Schools is fully compliant with all data protection laws, including PCI Data Security Standards. Yelm School District does not store your billing or payment information at any time. Any personal information you enter related to your credit card through this website is purged immediately. Any contact information you enter is stored for your convenience when using our website. Information you provide to us will only be used by Yelm Community Schools. We will never sell or rent your personal information to third parties.

The link that makes this possible is: https://payment.ycs.wednet.edu

There is a standard format for all users and their passwords.
User Name is the parent's Family Access ID (Skyward Login ID)
Password is Last Name in all Capital Letters

Note: Cookies must be enabled on your web browser

Family Access Account Setup/Information

The administration and staff at Yelm Community Schools recognize that many parents would like to play a greater role in their child’s education. To make it easier for you to get involved, we are providing you with the ability to view student information anytime, day or night.

The software that makes this possible is our student information system, known as Skyward Family Access. Family Access is available through the website found at http://family.yelm.wa-k12.net. Every web page on this site has a link to Family Access at the top of the page.

To set up your account, please submit a request for a user ID and password by sending an email to: family_access@ycs.wednet.edu.

PLEASE INCLUDE:
- SUBJECT LINE: name of the school your child attends.
- BODY OF MESSAGE: parent's full name, child's full name
  - Your child must be an active student in our school to provide you with Family Access.

Your user ID and password will be returned to the email address you are using to submit the request. If you prefer to have us respond to a different email address, other than the one you are using to submit the request, please indicate that in your email. If your email gets rejected by our security system, please contact our support desk at (360) 458-6232 with your request, and inform them that you need to have your email address "white listed." Please be aware that requests made during high volume times, such as at the beginning of the school year, will take longer to process.

If you had previous access and have forgotten your password, go to the login page to recover account information.
